Screen Cleaner Combination Kit

It's an all-in-one package that ensures all that finger prints and grease on your tablet screen are gone before your big presentation. The screen cleaner combination kit helps keep your electronics the way they were meant to be: sleek and shiny. Just spray the all natural screen cleaner on the screen and wipe clean with the microfiber cloth that is conveniently stored in a compartment on the bottle.

FEATURES

- All Natural Formula
- Alcohol and Ammonia Free
- Anti-Static
- Safe for all screens
- Microfiber cloth conviently stored in back
